Acceptance or Rejection of the equipment or instruments set will be based on the performance & outcome of the demonstration of the equipment / instrument or both as evaluated, determined & finally decided by the end user/ Procuring entity.

Remarks: Two firms participated for this Dental Unit category. One of the firm qualified technically. As a mandatory requirement of the Technical Evaluation criteria, a physical inspection of the quoted Dental Unit was carried out and The Dental Unit was rejected by the Technical Evaluation Committee on the basis of the demonstration and physical inspection.

Secondly as a single bidder and the only qualifying firm there was no healthy competition observed.
